4.4 Spare parts

If the Deliverables require spare parts from time to time, the Supplier guarantees that such spare parts can be purchased - although not necessarily from the Supplier - during the expected lifetime of the Deliverables.

The Buyer is at any time entitled to request relevant documentation of compliance with the CSR requirements. However, as a general rule, the Buyer will not request documentation that the Supplier complies with the CSR requirements in the performance of the Agreement unless prompted by special circumstances, such as a suspicion based on actual observations and/or indications.

The Supplier shall further state whether its own actions, including its choice of subcontractors or components, may have an impact on the compliance with the CSR requirements.

The total liquidated damages cannot exceed 8 % (eight per cent) of the Price, however not less than 3.000 (three thousand) DKK for each Delay. Neither party shall make any claim against the other party based on a force majeure event.

13.6 Non-waiver and amendments

Any consent to or waiver of any provision or breach shall not constitute consent to or a waiver of such provision or breach in the future. Any specific consent or waiver shall be in writing and shall only affect the relevant breach.

No delay or failure by the Buyer in exercising any of its rights under the Agreement shall operate as a waiver of that right, nor for the future.

Additions or amendments to the Agreement shall be agreed upon in writing.

13.7 Law and venue

Any dispute arising out of or in connection with the Agreement shall be governed by Danish law, substantive as well as procedural, however, excluding choice-of-law rules and the United Nations Convention on the International Sale of Goods (CISG).

Any dispute as mentioned above, including any disputes regarding the existence, validity or termination of the Agreement, shall be settled by the Danish ordinary courts of justice.
