

Requirement Specification

Accessories and spare parts for Night Vision Goggles

1. Requirements

1.1. Description of the requirement

DALO desire to procure a number of accessories and spare parts as a re-supply for their existing stock of night vision goggles.

DALO desire that all their stock is uniform and therefore it is envisaged that the parts offered for the re-supply are either original spare parts or parts that are identical in form, function and quality to the OEM parts, as listed in section 1.4.

1.2. Description and definitions

The requirement specification, cf. section 1.4, describes all the requirements for the acquisition and consists of six columns with the following information:

"#"	ID number
"Requirement"	Requirement description
"Classification"	The classification of the requirement as further described in section 1.3
"DALO remarks"	Further information regarding the requirement
"Requirement compliance"	The tenderer's indication of compliance (YES or NO)
"Tender description"	Requirements regarding the tenderer's compliance description

1.3. Classification

All requirements are mandatory requirements (SHALL) and shall be fulfilled by the tenderer. If just one of the mandatory requirements is not fulfilled, the tenderer's tender will not be taken into further consideration.

1.4. Requirement and response sheet
