

Energinet: Letter of invitation to Tender for CAR/EAR project 132kV Stasevang-Teglstrupgård

This Tender is published according to the rules of the Procurement Law section IV, with an estimated value expected to be below the Threshold limits but with Cross boarder interest.

Hence this tender is NOT conducted according to the Directive 2014/25/EU (the Utilities Directive), even though the Tender Material and ITT has numerous references hereto.

This Tender is only published via **www.udbud.dk** and all correspondence must be directed to Willis Towers Watson, Michael Ekdahl.

Therefore, there will be no Prequalification round incl. demand for insurers to send ESPD, though insurers are still bound by the rating requirements according to the ITT Main document.

Time Schedule is as follows:

Feb. 17 th , 2021	Publication via www.Udbud.dk
Mar. 3 rd , 2021 @12:00 pm CET	Deadline for Carriers Questions to Tender Submission Material
Mar. 17 th , 2021	Deadline for Awarding Authorities Reply to Questions
Mar. 26 th , 2021 @12:00 pm CET	<u>Tender submission deadline – first tender</u>
Mar. 29 th – Apr. 6 th , 2021	Negotiation round
Apr. 12 th , 2021 @12:00 pm CET	<u>Tender submission deadline – BAFO</u>
Apr. 19 th , 2021	(Expected) Announcement of Final Placement
Aug. 1 st , 2021	Inception of Insurance Contract

Best regards
